Re Enhancement of vehicle tax levied on certain vehicles in Tiptur Town Municipality

===

I forwarding herewith in original, the connected recor received from the President, Town Municipal Council, Tiptur, on th above subject, I have the honor to state as follows --

The President states that sanction of Government was obtained in G O No 408/Ml 63-28-137 dated 18-7-1929 for the lev of vehicle tax at the rates proposed As the rates at which vehicl taxes levied in respect of the vehicles noted in the margin* were considered very low, the question was taken up by the Council for discussion and it was resolved that sanction of Government may be obtained to the levy of the tax at enhanced rates noted in the margin*

Four objection petitions received only in regard to the enhancement of taxes on carts ( Double bullock carts) were also considered by the council and rejected in view of the fact that the proposed levy at the enhanced rates was within the maximum tax (viz Rs 4/-) allowed to be levied according to section III of the Town Municipalities Act, 1933 The President seeks the sanction of Government to the levy of the said taxes at the enhanced rates stated above

I request that orders of Government may be kindly obtained in the matter

I have the honor to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
